

**HIGH ON PERFORMANCE.
LOW ON MAINTENANCE**
UPVC Doors & Windows

VEKA

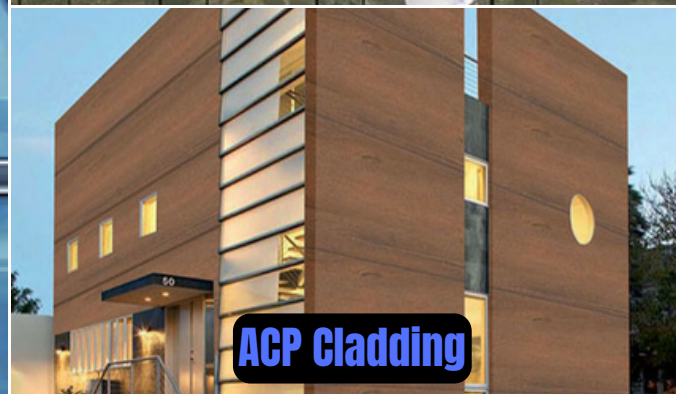

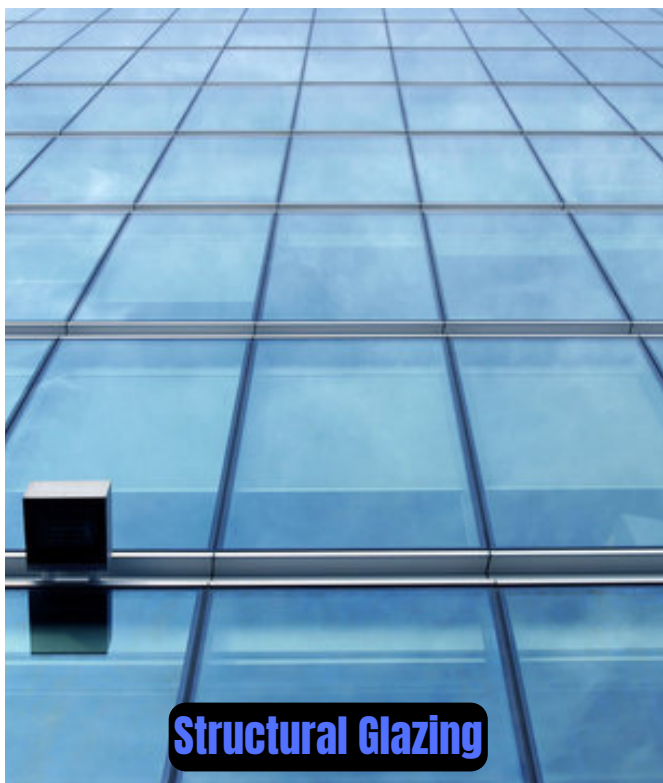

STYLISH, SECURE & SUSTAINABLE WINDOWS & DOORS FOR EVERY HOME

Syprus Window Systems started in 2018 & had come a long way in a small span of five years' time. Initially, it was started (as Vansh Infratech started in 2008) with an aim to provide glass fixing solutions single headedly. But the last five years saw the one man small enterprise manifest into a medium enterprise with a strong and dedicated team of employees. It has progressed with leaps & bounds in these five years.

Providing solution not only in glass, but **uPVC- ALLUMINIUM doors & windows, ACP Cladding, Structural Glazing & Spider Glazing also.**

We Are an Accredited Partner & Authorised Fabricator of **VEKA** German Profile.

Product / Services

WHY CHOOSE US

Cost-Effective

- Economic benefit both in capital and maintenance costs - typically around 30% compared with wooden alternatives over a 30-year period
- Minimal maintenance cost

High Acoustic/Sound Insulation

- Cuts noise up to 40 dB

Fire Resistant

- Do not cause or enhance the development of fire

Thermal Insulation

- Multi-chambered sections, glazed glass and a unique double seal mechanism keeps indoors cool
- Saves up to 30% on AC Power Bills

Maximum Security

- Comes with multi-point high security locks
- All locks and fittings are screwed into the steel core of the frame

Maximum Water Tightness & Wind

- 100% leakproof
- Comes with Hurricane bars and can sustain high wind loads
- Ideal for high-rise and coastal buildings

UV Stable

- No change in shape, color or lustre even under extreme temperatures

Longevity & Minimal Maintenance

- The service life of at least 35 years
- Do not rot, warp or corrode
- Do not require painting
- 100% termite proof

Environment Friendly

- 100% Lead-free uPVC profiles

WIDE RANGE OF LAMINATION OPTIONS
